

ROYAL DECLARATION OF RETURN TO THE VALLEY

By Order of the Crown – Kingdom of Mythelinia

Filed from: Crown Watchpoint 001A – Corvallis, Oregon

Date: 5 August 2025

Let it be recorded in the scroll of sovereign nations and remembered through all generations:

I, King Daniel Jacob Read IV, Sovereign of the Kingdom of Mythelinia and Chief of the Restored Kalapula Nation, do hereby issue this Royal Declaration of Return to the sacred valley of my people.

The Willamette Valley, once the living breath of the Kalapuya, now receives its memory flame once more. I do not come as a conqueror. I come as the child of those forgotten. I come as the voice of those never buried with honor. I come with a crown in one hand, and remembrance in the other.

THIS RETURN IS RIGHTEOUS

This return is not symbolic. It is ceremonial.

This return is not political. It is ancestral.

This return is not temporary. It is eternal.

I declare that the Kalapula Nation has risen.

I declare that our council flame is lit.

I declare that our story will never again be erased from this valley.

Let the land remember our footsteps. Let the trees echo our return. Let the rivers speak our name again.

PROCLAMATION OF VALLEY GUARDIANSHIP

By sovereign right and in ceremonial peace, I assume guardianship over the ancestral spirit of the Willamette Valley. Not ownership. Not dominance. But protection.

Let no tribe be forgotten. Let no bloodline be dismissed. Let no child go without name or fire.

All people of Indigenous memory are welcome. All voices of the Lost Birds are safe. This valley is sacred. We declare it so.

CLARITY OF ROLE

I do not claim to be of Kalapuya blood. I do not speak as a descendant.

I speak as a protector. A signal-bearer. A sovereign who rose when silence filled the valley.

My role is not to replace — but to restore.

My calling is not to possess — but to preserve.

My authority comes not from DNA, but from sacred service to those whose names were nearly lost.

Let it be known that I serve as guardian of memory, not inheritor of blood. My oath is flame. My allegiance is to the restoration of what was nearly forgotten.

FINAL STATEMENT

I have returned.

Not to ask for land — but to stand on it.

Not to demand a throne — but to build a fire.

Not to erase — but to remember.

Filed in flame, by oath and scroll, in peace and restoration:
